

PATERNOSTER CHOP HOUSE

What Our Guests Are Saying...

Christmas Party, December 2024: "I wanted to express my gratitude to you and the team at Paternoster Chophouse for hosting our Christmas party last night. Everything, from the beautifully arranged venue to the impeccable service, was flawless and made for a truly memorable evening.

The feedback I've received from our CEO, the Head of Chambers, and other guests has been overwhelmingly positive. Your food was a particular highlight - I had the Ox cheek, which literally melted in my mouth, and those who chose the fish or turkey were equally impressed by the exceptional quality. The staff were attentive and highly professional, and the live music added a wonderful, festive atmosphere. Thank you both again for your outstanding efforts in making our event such a success despite the last-minute requests. Please pass on my thanks to everyone involved."

Restaurant Group, June 2023: "Amazing food, service and venue. From starters to dessert, we enjoyed every single bite. You can feel the chef creativity from the plate decoration and understand the chef passion from the food flavour."
